
Hello readers, this article is about an upcoming horror movie which will be releasing on 10th October 2017. Moonlight Creek tells the story of a sheriff and his daughter as they investigate a strange murder in their small town. The first trailer has been released and the movie looks very promising so we hope it does well at the box office. Check out its details below: Three hundred years ago, evil descended upon Moonlight Creek, terrorizing its citizens with unspeakable cruelty. Now one family must confront that same evil again before it destroys everything they've ever loved. "Moonlight Creek" is a supernatural horror-thriller starring Kristen Schaal, Haley Pullos, Alex Borstein and Peter Stormare. The film was directed by Jeremiah Kipp from a screenplay written by David Ehrlich and James Vanderbilt. The film is produced by Michael Diliberti, Ryan Murphy and Michael Aguilar for Film 44 and developed under the supervision of Wes Craven and Kevin Williamson. The film will be distributed by Sony Pictures Worldwide Acquisitions (SPWA), the distribution arm of Sony Pictures Entertainment for "Moonlight Creek" in select theaters nationwide. The film is known for its first trailer which was released on 29 September 2017. After viewing the trailer, a few critics have highly praised the movie, stating it as a "good first taste" and "well worth watching." It also received mostly negative reviews from critics, but the general consensus is that fans of horror movies will enjoy this film.
